

Welcome

We have students of all ages performing today. Some have been taking lessons for only a few months and others for several years

The studio teaches electric, bass and acoustic guitar, as well as banjo. Today's performances will give you a sample of many different styles played on these instruments So Please sit back and enjoy.

Thank you for joining our Year End Recital

“ Imagination is more important than knowledge”

.....Albert Einstein

YEAR END RECITAL

Please remember we are closed for the summer.
Check out the web site for studio information, and see pictures from our recital.
We will contact everyone by email to let you know your day and time.
The studio will reopen first day of classes. Tuesday September 4th 2007

A special thank you goes out to those who have helped with this recital. You play an important part in making our recitals so successful.

Have a safe and happy summer everyone.

Accent Guitar Studio

www.accentguitar.com

“The musician is constantly adjusting decisions on tempo, tone, style, rhythm, phrasing, and feeling—training the brain to become incredibly good at organizing and conducting numerous activities at once. Dedicated practice of this orchestration can have a great payoff for lifelong attentional skills, intelligence, and an ability of self-knowledge and expression.” *—Ratey John J.,MD.*
